The great commission mandates to go into the world and make disciples. What is a disciple? What is the process of making disciples? What is the expectation of a disciple?

We have built a program and through our 15 years of engagement with leaders and young people all over the world. We have found an method that answers one of the most difficult questions the church is asking? **What's next?**

### WE TRAIN.....

- 2 How to live a moral life, overcome obstacles, and how to persevere.
- 3 Leadership qualities and strength of mind, body and spirit.
